

Student Senate Town Hall – Referendum Deliberation

November 14th 5:30pm

WHO:

Ridaa Khan, unofficial referendum committee members

WHAT:

- We will hold an organized town hall in a room in the student center with tables
- Have students sign in and show Onecard at the door to confirm it is student participation and get a headcount
- Agenda Outline:
 - o Senators present our referendum project to attendees along with our decided voting items
 - o speakers list and Q&A for the senate's items
 - o 10-minute small group discussions for people to think of their own items or policy questions
 - Large group will vote on them with the most popular 2 making the ballot
 - o Speakers list discussion on the process with remaining time
- Senators at the meeting will create a report for following GBM

WHY:

Having the opportunity to openly discuss and deliberate in a controlled setting not only allows for student participation in the process but also creates an outlet that is significant beyond statistics (voice>votes) and enables student agency (as opposed to a traditional school survey). This is also an opportunity for senate to engage with students outside of representative roles, GBM, or tabling.

WHEN:

Vote on Tuesday November 12th 5:30 PM Bernath Auditorium UGL or Thursday November 14th 5:30pm STEM innovation room

NEED HELP?

The more senators can be there the better, this could be good PR in general. Ideally at least 2 other senators can conduct the meeting with me so someone can take notes, etc. Record the session
Contact Ridaa Khan via WhatsApp if interested
