VI. BUSINESS:

- A. Guest Speaker: Heather Marks – *Marketing Coordinator, Dean of Students Office*: Social media platform for university; events, posts, polls all in feed. Different/private portals for organizations. A tool meant for student orgs- by students for students. Stuart- PR for hosting an event. Marks- depends on how you set your calendar- either public or private. Launching program in July/midsummer and everyone should access on the first day of school. If admins of the org do not use it, site will go down- but new admins can come in. No group will be locked out as long as they're in contact with studentorgs.wayne.edu. Choose carefully who is getting admin rights. Blackboards vs this new "get involved" site. This site is specifically for orgs and unlike blackboard which is for classes. Email her with questions!
- B. Training Presentation: Nourhan Hamadi and Dalia Ibrahim – *Reports*: How to present reports. Majority of work should be done in between meetings. Speaker's list limits- discuss what we want. Two times last year per discussion helped keep things efficient. What are reports?? A formatted, report of factual evidence or progress. You are expected to report when necessary. PG reports on blackboard (orgsyncs eventually) fill in the details on that form and then write up report. Good way to stay accountable on what is happening with your school. Send reports 24 hours ahead of Thursday meetings (please) to Anchita Sanam. Project groups are larger goals. Not everything has to be a project group so we aren't spread too thin. Stuart- is there an

official process establishing/ending a project group? Dalia- ending is more vague..Nourhan- we will have another bonding July 13th to see what everyone is interested in working on this year. We should have a more official way of establishing..Dalia- went with whichever goals were prevalent in goals. You can sit on in more than one project group! You are required to be on at least one project group. All appointments are important regardless of how often you may meet up. Let someone know if you cannot make your appointments meeting times b/c its really important that you make it!

Academic Senate Student Affairs- Kristina Curtiss
Facility Support Service and Technologies- Heba Elsayed
Senate Budget and Finance- Obaidah
Faculty Affairs- Amira
Research Committee- Nourhan
