2. Budget Planning Council- Kate and Anchita
3. Tuition and Fees Appeals Board- Daniel
4. 150th anniversary planning committee- Dalia

B. Voting: all voted in

C. Reinstatement: Pinal; did not want to get reinstated

VII. REPORTS AND UPDATES:

A. Jasmine- Finance and Budget open house meeting. Meeting was focused mostly on how University wants to make housing/tuition better. Getting large enough janitorial staff for the new building. Issue of parking- lot 41 torn down to create new housing; there should be enough space in lot 6 as well as making structure 1 24 hours. Green space from Deroy getting knocked down. Tuition increase (3.8%). However, parking fees will be going down 25%

1. How do you find out about these meetings? Nourhan will find out from Anthony
2. Creating more parking? no
3. When is Deroy getting broken down? Aug 2019
4. Garden space btwn ugl and Ghafari? After Deroy goes down in summer of 19, they'll work on Anthony Wayne Drive. Then Chatsworth will also be renovated. In regards to the gardens, there has not been any consistent student leadership on those projects. DS working with a group called "students feeding students" about garden space and growing food since we lost farmer's market sponsorship.

B. Don- School of Medicine updates. Wayne State is affiliated with the DMC right now. Talks have been going on (email sent from

med school dean) that Henry Ford is now taking the bulk of medical rotations. Not cutting off completely from DMC though. National Vice Speaker of the AMA chosen from WSU. 2nd years about to take steps, 3rd years done with the year.

1. Not good to move to Henry Ford right? Good for the school financially and good learning for students but not as good for the med students facility wise
2. Distance concern- shuttle; DMC has around half students and Henry Ford has less than half. So it won't be an overwhelming change to Henry Ford while still significant.

VIII. ANNOUNCEMENTS:

- A. Ryan- have not received any documents from Board of Governors
- B. Dean Strauss- have correspondence that we need the room at these times even during the summer; they need a student to do it- Anthony said he would fill it in and we still didn't get. I recommend eboard figure out what's going on before each meeting. Activity awards- back-loaded last year. This year will be front-loaded—should be less messed up into package. Beneficial to the student. If a senator does not fulfill that semester, it becomes issue in the senate leadership whether the student gets the award or not. 150th anniversary committee- big celebration being planned. SAFB- funding is a little different. 7person board. Ricardo is the advisor. Funding activities on Wayne State campus during the semester. Bulk of it is September through April. Developments on campus: Event planning are room registration not the best. Working with students to make it better. Student org creates event- make sure facility planning and public safety approve. DOSO front desk makes sure everything is approved and student gets to see that entire flow. WSU pantry progress moving along. Social service needs. Festifall sign up out.
- C. Nourhan- ATEC meeting moved to July 6th. Advance moved to 13th and we are eating at HopCat. Board of Governor's meeting next Friday. Budget and finance meeting at 10:30am at the McGregor.
- D. Dalia- waiting on standing committee chairs to get back to me for appointments.
